Design Products

maWebCenters clients have a variety of options for getting their Web site designed. The layout of the Web site along with your site's content are critical to help you establish an effective Internet presence. All of our design packages are designed inside the editable maWebCenters platform so you have the flexibility to maintain your content or add more pages in the future.

User Opinions about Mobile Web Sites

40% abandon a site if it takes too long to load

67% are more likely to purchase from a mobile-friendly site

74% are more likely to revisit mobile-optimized sites

Marketing and Design Statistics:

NEARLY TWO-THIRDS	*Nearly two-thirds* of people are visual learners, and visual data is processed much faster by the brain than is text.
NEARLY 90%	Adding videos to landing pages can increase conversions by nearly **90%**.
MORE THAN 90%	More than **90%** of marketers now use content marketing
MOST EFFECTIVE	Customer testimonials are the *most effective* form of content marketing
COSTS 62% LESS	Content marketing generates 3 times as many leads as traditional outbound marketing, but *costs 62% less*.
